Your Opportunity: Risk Specialist, National Risk Engineering Services

Employment Type: Regular Full-Time

Location: Calgary, AB

We are looking for a professional and ambitious Risk Specialist to join our National Risk Engineering Services (NRES) team. The successful candidate will be adept at conducting risk assessments of commercial property risks to identify risks/exposures and sharing this expertise with their underwriting partners. Take your career to the next level by developing your natural ability to see the big picture, think creatively, and challenge the status quo, while working with some of the industry's leading professionals.

Your Impact:

- Conduct risk evaluation services (property and liability) through site surveys and/or file reviews to identify and evaluate loss exposure, hazards and controls for risks.
- Provide recommendations for loss prevention/risk control improvements through the analysis of construction, occupancy, protection, exposures, hazards, etc.
- Perform analysis of fire protection systems including sprinklers for adequacy.
- Provide consultative risk improvement services to brokers and underwriters.
- Ensure assignments are completed in a cost-effective, timely and productive manner in accordance with specified service standards
- Establish positive relationships with clients and maintain strong relationships with internal staff and external service providers
- Conduct training and/or education meetings for clients, brokers and staff.
- Participate and/or lead various risk engineering projects as may be assigned.

Your Expertise:

- A degree or diploma in Engineering or a related field or equivalent experience.
- Knowledge of NFPA standards and relevant fire and building codes are required.
- Knowledge of casualty and auto risk evaluation is an asset.
- A minimum of 10 years experience within the insurance industry is preferable.
- CIP and/or CRM designation preferred.
- Strong oral and written communication skills including report writing and presentations.
- Must be a self-starter, analytical thinker and be able to work independently.
- Proven ability to establish and maintain effective working relationships.
- Proven ability to communicate effectively with a strong focus on customer service.
- Fully bilingual (French/English) in a professional capacity is an asset
- Travel in the local geographical area, with travel elsewhere in Canada as required.
- Must possess a valid driver's licence.
